Division 1 (175 & up), Division 2 (150-174), Division 3 (125-149), Division 4 (80-124)

Bowlers will bowl 5 games of qualifying, moving lanes after each game. After each game, bowlers will earn points based on their score versus every other bowler in their division. **Example:** If there are 40 bowlers in a division, the bowler with the highest score in that division (with handicap added) will earn 40 points, the second highest 39 and so on down to the bowler with the lowest score earning 1 point. At the end of 5 games, the bowler with the most points earned will be declared the champion of their division. Additional scholarship prizes will be awarded based upon the number of entries in a division.
